tried in Justice Jackson V. Carter's court Tuesday morning at 9 o'clock, and as no one appeared for the city Justice Carter allowed the full damages.

The floor of this bridge has been in bad condition for some time, and the city is lucky that it has not had more suits against it. Several motor cycles have fallen into cracks in the floor and in one instance the rider was hurled fifty feet, and he landed against the bridge railing and received many scratches and bruises. His machine was badly broken.
